

Dear partners,

We are contacting you on behalf of Babes-Bolyai University in Cluj-Napoca, Romania. Our University embraces the new academic online workstyle in all of its activities. The traditional excellence endorses the innovative, ground-breaking technological tools, enabling us to deliver services, support and knowledge of extensive quality.

We kindly ask you to help us promote our ONLINE project.

Transylvania International Summer Courses of Romanian Language and Civilization will take place between July 19th – August 6th, 2021. We set up a 3-week teaching plan, consisting of a 3-hour course program each working day, in the afternoon. Besides the Romanian language classes, we will organize live, interactive conferences and demonstrative workshops on Romanian culture and civilization. As quality is one of our absolute preoccupations, we will form multiple small groups, based on the participants' level of language competence (beginner, intermediate, advanced), so that they enjoy an extensive interaction with the teacher and peers. At the end of the course, each participant will be granted 4 ECTS and with an attendance certificate.
